Meeting dates	23-24 August 2025

Abstracts are invited for oral presentations and scientific posters. Submission is online via the Meeting website. The abstract management system is hosted by Currinda and your accepted abstract will be visible on the electronic version of the final programme. Authors should expect to have their abstracts published on the meeting website and also in the electronic conference handbook. Posters will be presented electronically on screens at the venue and also available online for registered delegates. *Note that while event will not be livestreamed, it will be recorded to be viewed for up to 6 months by registered delegates.*

Please note that authors accepted for oral presentations and e-posters must attend in person – there is no option for remote presentation.

Abstracts on all topics relating to plastic surgery will be accepted including the 2025 themes of Breast, Body & Face.

Submission Guidelines

Link to online abstract submission is available on the Meeting website:
<https://events4you.currinda.com/register/event/1332>

If there are any difficulties regarding this process please contact the conference organiser Sally Boulton sally@events4you.co.nz

1. Authors of research papers who wish to have their abstracts considered for inclusion in the programme at the NZAPS ASM 2025 must submit their abstract electronically via the meeting website adhering to the submission deadline.

Abstracts submitted after the closing date will not be considered.

2. Abstract submission is entirely online and any other formats will not be accepted. Abstracts will not be submitted by meeting staff on behalf of authors. Abstract submission is via the Currinda Event Management system, if you have not used this system before, you will be required to first create a profile.

3. The title should be brief and explicit (limited to 15 words).

4. Research papers should follow the format: Background, Methods, Results and Conclusion.

5. Abstracts should not exceed 300 words (excluding the title, author(s) and presenters' name). Any references must be included in this allowance. If you exceed this limit, the excess text will NOT appear in the final program.

6. Include author(s) and indicate presenting author.

7. Include details of main institution.

8. Abbreviations should be used only for common terms. For uncommon terms, the abbreviation should be given in brackets after the first full use of the word.

9. Presentations (oral) will have AV support for PowerPoint only (eg; no Keynote). Audio visual instructions will be included in correspondence sent to all successful authors.

10. A 50 word CV is required from each oral presenter to facilitate their introduction by the session chair and this is included in the abstract submission.

11. The timing (presentation and discussion) of all papers is at the discretion of the organising committee.

12. Tables, diagrams, graphs, etc CANNOT be accepted in the abstract submission.

13. Please do not type in your abstract onto the submission page. Being Internet based, each page on the submission site can only be open for 15 minutes before closing. Type your submission on a text document (eg. Microsoft Word) and copy and paste it into the abstract text field.

14. Authors must be registrants (in person) at the meeting to present and for their abstract to appear in the final programme and on the meeting website.

15. Amendments to abstracts after submission can be made online up until the close of submission date 12 April 2025 (midnight NZT).

16. The submitting author of an abstract will ALWAYS receive email confirmation of receipt of the abstract into the submission site. If you do not

receive a confirmation email within 24 hours it may mean the abstract has not been received. In this circumstance, please email sally@events4you.co.nz

17. Abstracts without any results, for example, those with research ongoing or with only general comments such as "Results will be discussed", will not be considered for presentation.

Important Note Regarding Disclosure of Potential Conflict of Interest

Abstract submission requires disclosure of all financial relationships between a speaker and the commercial supporter (if applicable) or with the manufacturer of any product or class of products they plan to discuss.

This policy is designed to provide the audience with an opportunity to review any affiliations between a speaker and supporting organisations for the purpose of determining the potential presence of bias or influence over content.

This policy is not intended to prevent a speaker with such an affiliation or relationship from participating.

Disclosure should be made using a slide at the beginning of your presentation. Examples of relationships which should be disclosed include but are not limited to:

- any direct financial interest in a company whose interests are in the area(s) covered by the educational material
- investments held by the speaker in a relevant company
- membership on a relevant company's advisory board or similar committee
- current or recent participation in a clinical trial sponsored by a relevant company
- assisting in the design of clinical studies concerning the use of products manufactured by a relevant company
- participating in clinical studies using products produced by a relevant company
- research by the speaker sponsored by a relevant company
- paid speaker by a relevant company
- the speaker holds a patent for a product referred to in the presentation or marketed by a relevant company. To ensure that audiences receive complete information, speakers who have no involvement with industry should inform the audience that they have nothing to disclose, i.e. cannot identify any potential conflict of interest.

Oral Presentations

Confirmed presenters will be required to provide their Electronic PowerPoint presentation by 13 August 2025 scheduled presentation. A link for Dropbox will be provided for submission.

Electronic Posters

Scientific Posters will be accepted in Electronic Format only. These will be available for in person delegates to view at the venue via screens and will also be available online for registered delegates to view. Information on specific formats for posters including a template (Powerpoint) will be provided to authors after abstract acceptance. Electronic Posters not submitted by 20 July 2025 will not be included in the programme.
